

# People around me are wearing masks

There will be times when people will have to wear a mask on their face.

If they put a mask on their face, they are doing it to keep you and themselves healthy.

If they put a mask on their face, only they can take it off.

It might look strange for them to wear a mask.

But they will still be able to talk to you.

It is ok for them to wear a mask.  
It is their choice.
