## Camp Royall

### Scholarship Assistance Information

- If you are applying to one of our camp programs and are in need for financial assistance we want to help!
- There is a scholarship application embedded in each of our program applications online so when you go on to register for any of our programs you can simply complete that optional scholarship form to let us know what assistance you might need. We will do our best to provide the funds needed but we also advise families to seek funding from the community as well (helps us spread the funds we have to as many families as possible).
- We would also love for you to investigate the possibility of receiving funding from a wonderful organization called First in Families of North Carolina. They support families across the state of NC with funding for various needs. Please visit their website [www.fifinc.org](http://www.fifinc.org) to learn more information about this organization and seek an application for aide, they have generously provided funds for many of our campers in the past.
- Other great places to seek assistance in your community are:
  - Local Churches
  - Civic Organizations
  - Local Businesses
  - Extended Family

**If you have questions or concerns or know of other places that would support camp, please contact us:**
